NATIONAL SERVICE SCHEME (NSS)

Aims and Objectives

As the third component of education, the NSS is a part of our academic, social, and personal lives. It enables students to actively offer their time and talents to the betterment of their society and country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, as a result, become responsible citizens of India.

Motto of NSS

“NOT ME BUT YOU”

The Motto

This embodies the essence of democratic living and emphasizes the importance of unselfish service, respect for the other's point of view, and consideration for fellow humans. It emphasizes that an individual's well-being is ultimately dependent on the well-being of society as a whole. As a result, the NSS should make it a goal to live up to this philosophy in its daily activities.

The NSS Symbol

The National Service Scheme's symbol, which appears on the cover page, is based on the chariot wheel of Odisha's Konark Sun Temple. The Sun Temple's massive wheels represent the cycle of creation, preservation, and release, as well as the movement of life across time and space. The symbol's design, a simplified version of the sun-chariot wheel, emphasizes movement. The wheel represents life's ever-increasing cycle. It represents both continuity and change, implying the NSS's ongoing commitment to societal development and advancement.

Objectives

The broad objectives of the NSS are to:

- (i) Understand the community in which the students work.
- (ii) Understand themselves about their community.
- (iii) Develop among themselves a sense of social and civic responsibility.
- (iv) Identify the needs and problems of the community and involve them in the solution of problems.
- (v) Utilize their knowledge in finding practical solutions to individual and community problems.
- (vi) Develop competence required for collective existence and sharing of responsibilities.
- (vii) Gain skills in mobilizing community participation.
- (viii) Acquire leadership qualities and a democratic attitude.
- (ix) Develop capacity to meet emergencies and natural disasters.
- (x) Practice national integration and social harmony.

NSS Wing of MCC

The NSS wing of MCC comprises one unit, 100 volunteers. Among one unit. we NSS wing of MCC organized Regular and Special Camping activities. The volunteers are trained for a social platform to realize their responsibilities in bringing a mightier India and to train others in key objectives of NSS.

Report on TB Awareness Program

On March 24, 2023, an NSS team from Midnapore City College organised a TB awareness programme at Kuturiya, Paschim Midnapore, West Bengal. The aim of the programme was to educate villagers about the symptoms, transmission, and prevention of TB. The programme was attended by approx. 80 participants from the village.

The programme was conducted at Kuturiya Sishu Sikha Kendra. The NSS team members started the programme by introducing themselves and explaining the purpose of the programme. They provided a brief overview of TB, its causes, symptoms, and methods of transmission

The NSS team members then conducted a lecture presentation that explained the various symptoms of TB, such as coughing, chest pain, fatigue, and weight loss. This lecture also explained the importance of seeking medical help if any of these symptoms persist for more than two weeks.

The villagers had several questions regarding TB, its treatment, and its prevention. The NSS team members answered all the questions to the best of their knowledge and provided additional information wherever necessary.

The TB awareness program organized by the NSS team was a huge success. The villagers were educated about the various symptoms of TB and the importance of seeking medical help. They were also provided with information about the prevention of TB and the various government-run treatment centres in the area

The NSS team members were appreciated for their efforts in spreading awareness about TB in the village. The villagers expressed their gratitude towards the NSS team members and thanked them for organizing the program. Overall, the program was successful in achieving its objective of spreading awareness about TB in the village.

Report on National Environment Day Observance

Introduction:

The National Service Scheme (NSS) unit of Midnapore City College actively participated in the observance of National Environment Day on 5th June 2023. The NSS unit, comprising enthusiastic student volunteers, organized a range of activities to raise awareness and promote environmental conservation among the students and the local community. This report outlines the various initiatives undertaken by the NSS unit to commemorate National Environment Day.

Objectives:

The NSS unit aimed to achieve the following objectives during the observance of National Environment Day:

1. Promote environmental consciousness and awareness among students.
2. Encourage sustainable practices for a greener future.
3. Foster a sense of responsibility and active participation in environmental conservation.
4. Engage the local community in understanding and addressing environmental challenges.

Activities Undertaken:

The NSS unit conducted a series of activities to commemorate National Environment Day.

These activities included:

a. Tree Plantation Drive:

A significant tree plantation drive was organized within the campus premises. NSS volunteers, along with students and faculty members, actively participated in planting a diverse range of saplings. The plantation drive aimed to enhance the green cover on the campus, contribute to carbon sequestration, and promote the importance of trees in mitigating climate change.

b. Environmental Awareness Campaign:

The NSS unit organized an awareness campaign to educate students and the local community about various environmental issues. Volunteers conducted informative sessions, delivered speeches related to waste management, water conservation, and biodiversity preservation. Additionally, awareness posters were displayed across the campus to reinforce key messages.

c. Cleanliness Drive:

To emphasize the importance of cleanliness and waste management, a cleanliness drive was conducted in and around the institution premises. NSS volunteers, along with students, actively participated in cleaning up the campus, removing litter, and promoting responsible waste disposal practices. The initiative aimed to instil a sense of cleanliness and hygiene among students and encourage them to maintain a clean environment.

d) Awareness Rally:

An awareness rally was organized in NSS volunteers, Student's, faculty members and community members. NSS volunteers, along with students, carried placards and banners with messages promoting environmental conservation. The rally aimed to create awareness among the general public and motivate them to adopt eco-friendly practices in their daily lives.

Outcomes and Impact:

The observance of National Environment Day by the NSS unit yielded several positive outcomes and impactful results, including:

Increased awareness: The activities conducted by the NSS unit successfully raised awareness about environmental issues among students and the local community. Through informative sessions, lectures, and awareness campaigns, participants gained a deeper understanding of the importance of environmental conservation.

Behaviour change: The initiatives motivated students and community members to adopt sustainable practices. The emphasis on tree plantation, waste management, and cleanliness imtilled a sense of responsibility and prompted individuals to take positive action towards protecting the environment.

Conclusion:

The NSS unit of Midnapore City College successfully observed National Environment Day through a series of impactful activities aimed at raising awareness, promoting sustainable.

NSS Volunteers:52

Ref. No.: MCC/PRI-NSS Coordinator (VU)/08/23-8361

Date: 04.08.2023

A Report on "Enriching Rural Areas through Medicinal Plants"

On July 4, 2023, an NSS unit from Midnapore City College organised an outreach programme at Kuturiya, Paschim Midnapore, West Bengal. The aim of the programme was to educate villagers about the importance of medicinal plants. The programme was attended by approx. 50 participants from the village and 60 students. Outreach program on medicinal plants' importance in rural areas has proven highly beneficial to the communities. This programme will enrich awareness, empower locals and promote sustainable practices. This program has led to positive impacts on healthcare, economy, and culture. Continued efforts and collaboration with stakeholders will be necessary to ensure the long-term success and sustainability of these initiatives for the betterment of rural communities. The NSS team members were appreciated for their efforts in spreading awareness about importance of medicinal plant in the village. The villagers expressed their gratitude towards the NSS team members and thanked them for organizing the program. Overall, the program was successful in achieving its objective of spreading awareness about medicinal plant in the village.

9.Name of the Programme: "Happy 77th Independence Day"

Date of the Programme: 15.08.23

No of Participants: 260

NSS Volunteers:60

Ref. No.: MCC/PRI-NSS Coordinator (VU)/08/23-8393

Date:17.08.23

Report on the observance of "Happy 77th Independence Day"

August 15th 2023, The National Service Scheme (NSS) unit of Midnapore City College organized a vibrant and patriotic celebration on August 15th, marking India's 77th Independence Day. The event took place in the college premises, aiming to evoke a strong sense of nationalism and unity among the students and faculty,

Event Highlights:

Flag Hoisting Ceremony: The event commenced with the solemn flag hoisting ceremony, held in the college courtyard. The tri-colour national flag was raised by the college principal in the presence of the NSS unit members, students, and staff. The participants stood in respect and sang the national anthem with fervor,

Cultural Performances: Following the flag hoisting, a series of cultural performances were presented by students to celebrate the diverse cultural heritage of India. Dance performances and musical renditions highlighted various aspects of the country's history, struggles, and progress

Patriotic Speeches: Eloquent speeches were delivered by students and faculty members, focusing on the significance of Independence Day, the sacrifices made by freedom fighters, and the responsibilities of today's youth in upholding the nation's values.

NSS Achievements Showcase: A display was set up showcasing the accomplishments of the NSS unit throughout the year. This included photographs and descriptions of various community service initiatives, cleanliness drives, and awareness campaigns organized by the unit.

Distribution of Sweets: The celebration concluded with the distribution of sweets to all attendees as a symbol of spreading joy and harmony on this special occasion.

Impact and Takeaways:

The Independence Day celebration by the NSS unit had a profound impact on the college community. It instilled a sense of patriotism, unity, and social responsibility among the participants. Students were reminded of the sacrifices made by freedom fighters and were encouraged to contribute positively to society.

The event also served as a platform for showcasing the activities of the NSS unit, motivating more students to join and actively participate in future initiatives. The emphasis on cultural performances helped in fostering an appreciation for India's diverse heritage.

Conclusion:

The NSS unit's Independence Day celebration was a resounding success, fostering some of national pride and a commitment to social welfare among the college community. The event not only celebrated India's journey to freedom but also reinforced the importance of collective efforts in building a brighter and better future for the nation.

10.Name of the Programme: Parthenium Awareness Week

Date of the Programme: 25.08.23

No of Participants: 75

NSS Volunteers:35

Ref. No: MCC/PRI-NSS Coordinator (VU)08/23-8418

Date: 28.08 2023

Report on parthenium Awareness Week

The Parthenon Awareness Program, organized by the National Service Scheme (NSS) unit of

Midnapore City College, took place on 25 August 2023 within the college premises. The primary objective of this program was to create awareness among students and staffs about the harmful effects of the invasive plant Parthenon Acrophores, commonly known as parthenium or congress grave The NSS unit collaborated with the Department of Agriculnire to ensure the success of this initiative

OBJECTIVESL

1. Awareness Generation: The program aimed to raise awareness among the college community regarding the adverse impacts of Parthenium on human health, agriculture, and the ecosystem.
2. Identification and Prevention: To locate participants on how to identify parthenium plants and to promote preventive measures to cut its spread.
3. Community Action: Encouraging students and staff to actively engage in community-based efforts to control and manage parthenium growth.

Program Outline:

The Parthenium Awareness Program, organized by the NSS unit, encompassed a series of informative sessions, practical demonstrations, and interactive activities.

1. **Inaugural Address:** The program began with a motivational address emphasizing the significance of environmental awareness and the role of NSS in community initiatives.
2. **Expert Talk:** An expert in environmental science and invasive species delivered an insightful talk on the origins, characteristics, and negative impacts of parthenium. The talk highlighted its threat to native flora, fauna, and human health.
3. **Identification Workshop:** A hands-on workshop followed, wherein participants were introduced to live parthenium plants. They learned to differentiate partheniums from other plants through its distinct features.
4. **Health and Environmental Implications:** A presentation highlighted the health risks posed by parthenium pollen and its potential to cause allergies and respiratory issues. The ecological disruption caused by parthenium invasion was also discussed.
5. **Control Methods:** The program covered various control methods, including tranquil removal, proper disposal, and the use of bio pesticides. Emphasis was placed on ecologically friendly approaches
6. **Interactive Group Activities:** Participants engaged in group discussions, poster-making sessions, and quizzes cantered around parthenium awareness. These activities encouraged active participation and reinforced the key takeaways.

Report on International Literacy Day Celebration

International Literacy Day, celebrated worldwide on September 8th such year, serves as a reminder of the importance of literacy as a fundamental human right and a catalyst for intradural and societal development. The National Service Scheme (NSS) unit of Midnapore City College enthusiastically participated in the celebration of International Literacy Day, aiming to raise awareness about literacy issues and promote literacy within our community.

Objective:

The primary objective of our NSS unit's involvement in International Literacy Day was to emphasize the significance of literacy in transforming lives, reducing Inequalities, and building a sustainable and inclusive society. We also aimed to engage in meaningful activities to foster literacy skills and Awareness among the community.

Activities Conducted:

1. Awareness Campaigns: The NSS unit organized awareness campaigns across the campus about the importance of literacy and its impact on personal and societal growth
2. Literacy Awareness Rally: A vibrant rally was organized, with students and NSS volunteers carrying placards and banners promoting literacy awareness. The rally traversed through the local neighbourhood, drawing attention to the cause.
3. Essay and Poetry Competitions: We organized essay and poetry competitions for students on the theme of literacy. This encouraged creative expression while also enhancing their understanding of the importance of literacy

Outcome and Impact:

1. **Increased Awareness:** Our activities successfully increased awareness about the importance of literacy, reaching a diverse audience both on and off-campus.
2. **Student Engagement:** The essay and poetry competitions cocurated students to reflect on literacy, promoting critical thinking and creativity.

Conclusion:

The NSS unit of Midnapore City College played an active role in celebrating International Literacy Day 2023, contributing to the global effort to promote literacy and education. Through our various activities, we were able to raise awareness and enhance literacy skills in the community. We believe that by continuing these efforts, we can make a lasting impact on improving literacy rates and fostering a more educated and inclusive society.

12.Name of the Programme: NSS & Ishwar Chandra Vidyanagar Birth Anniversary

Date of the Programme: 26.10.23

No of Participants: 70

NSS Volunteers: 30

Ref. No: MCC/PRI-NSS Coordinator (VU)/10/23-8574

Date: 17.10.2023

A report on Observation of National Service Day and Ishwar Chandra Vidyanagar Birth Anniversary

On 26th September, our institution celebrated NSS Day and the birth anniversary of the great social reformer, Ishwar Chandra Vidyasagar, with great enthusiasm and fervor. The event was organized by the NSS unit of Midnapore City College, aiming to commemorate the National Service Scheme and pay tribute to the legendary scholar and humanitarian, Ishwar Chandra Vidyasagar.

NSS Day Celebration:

The NSS Day celebrations kicked off with a colourful rally that was flagged off by the esteemed guests and faculty members. NSS volunteers, banners promoting social awareness, community service, and the spirit of volunteerism. The rally aimed to create awareness about various social issues such as education, healthcare, environment, and gender equality,

The NSS volunteers presented inspiring speeches and cultural performances highlighting the importance of community service and the impact it can make on society. The event also included a pledge-taking ceremony, where participants and attendees pledged their commitment to serving the community and contributing to the betterment of society,

Ishwar Chandra Vidyasagar Birth Day Celebration:

Simultaneously, a separate section of the event was dedicated to commemorating the birth anniversary of Ishwar Chandra Vidyasagar, a revered philosopher, educator, and social reformer. The program began with a floral tribute to Vidyasagar's portrait, symbolizing our respect for his immense contributions to the fields of education and social reform.

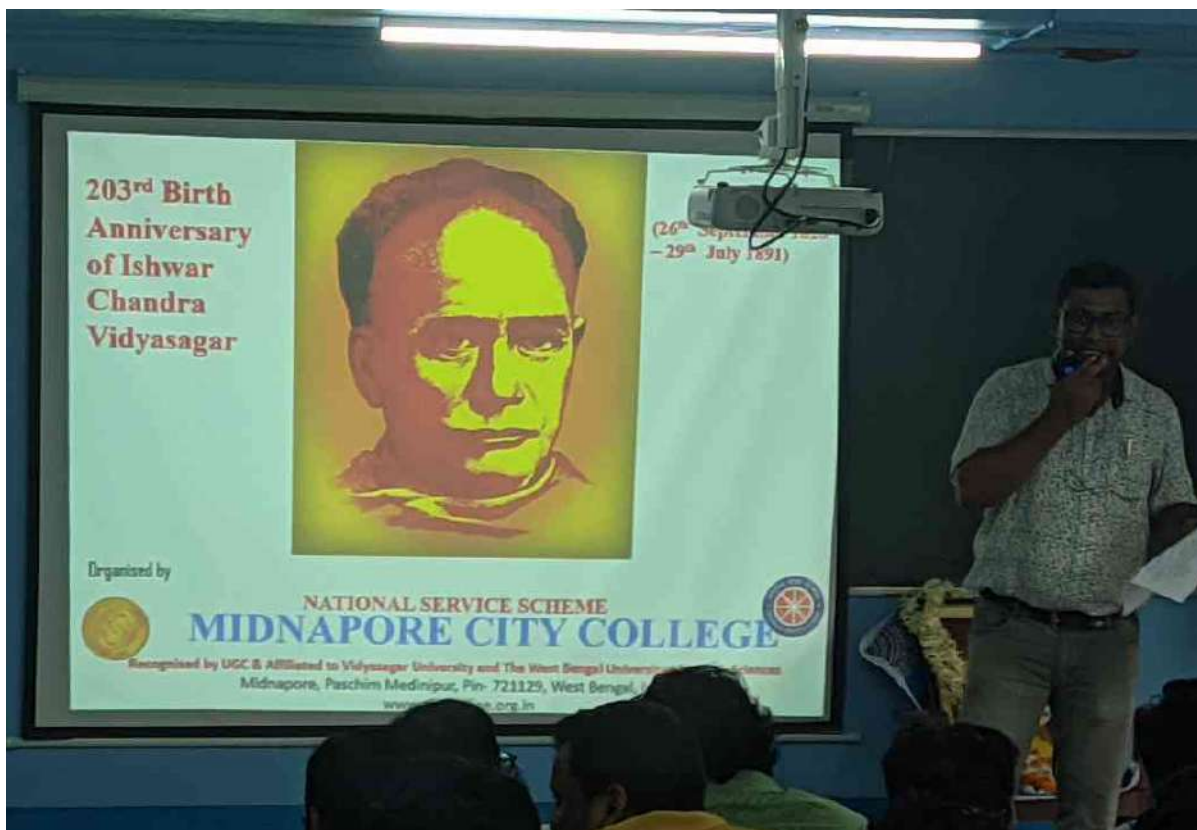

Eminent scholars and historians were invited to deliver enlightening lectures on the life and works of Ishwar Chandra Vidyasagar. These sessions provided valuable insights into his pioneering efforts in promoting education, women's rights, and social equality in 19th century India. Additionally, student presented thought-provoking speeches and poems inspired by Vidyasagar's teachings and ideology

The celebration also included an exhibition showcasing the life and achievements of Ishwar Chandra Vidyasagar. Rare photographs, manuscripts, and artefact's related to his life were displayed, allowing the attendees to gain a deeper understanding of his legacy.

Conclusion

The NSS Day and Ishwar Chandra Vidyasagar Birth Day celebrations were not just events but powerful reminders of our collective responsibility towards society. By honouring the spirit of volunteerism and paying tribute to a great social reformer, the event inspired everyone present to actively participate in social initiatives and work towards a more equitable and just society. The event left a lasting impact on all attendees, reinforcing the importance of education, empathy, and community service in shaping a better future for our nation.

13.Name of the Programme: Blood Donation Camp

Date of the Programme: 06.10.23

No of Participants: 185

NSS Volunteers: 60

Ref. No.: MCC/PRI-NSS Coordinator (VU)/19/23-8575

Date: 17.10.2013

Blood Donation Camp

The National Service Scheme (NSS) unit of Midnapore City College organized a commendable Blood Donation Camp on 6th October in association with Midnapore and Jhargram healthcare authorities. The camp, held on the institution's premises, was an initiative to promote voluntary blood donation and foster a spirit of social receptibility among students and the community. The Blood Donation Camp witnessed enthusiastic participation from students, faculty members, and local residents. The event was meticulously organized, ensuring a smooth registration process, thorough medical check-up and a comfortable environment for donors. Trained medical staff and volunteers were present to guide the donors through the process, ensuring their safety and well-being.

Community Participation:

The camp received an overwhelming response from the community. Students and faculty members actively participated, displaying their commitment to social causes. Local residents and new by institutions also contributed significantly, underscoring the importance of collaborative efforts in community welfare.

Impact and Achievements:

The Blood Donation Camp organized by the NSS unit left a lasting impact on the community:

Life-saving Contributions: The camp collected a substantial number of blood units, potentially saving numerous lives. The donated blood will be utilized for patients undergoing surgeries, trauma victims, and individuals with chronic illnesses.

Promoting Health Awareness: The event played a crucial role in educating participants about the significance of regular blood donation and its role in healthcare emergencies. Informative sessions were conducted, dispelling myths and encouraging more people to participate in such initiatives.

Fostering Social Responsibility: By actively engaging in the blood donation process, participants imbibed a sense of social responsibility and empathy. The event emphasized the importance of giving back to society and helping those in need.

Building Partnerships: The camp strengthened the bond between the institution, local healthcare organizations, and the community. Such partnerships are essential for organizing successful social initiatives and addressing the healthcare needs of the community effectively.

Conclusion:

The Blood Donation Camp organized by the NSS unit of Midnapore City College exemplifies the spirit of selflessness and community service. By facilitating voluntary blood donation, the camp not only saved lives but also inspired a sense of altruism and social consciousness among participants. Such events serve as a reminder of the positive impact that collective efforts can have on society. The NSS unit, along with its partners and participants, remains committed to organizing more such initiatives, contributing to a healthier and more compassionate society.

A report on Observance of World AIDS Day

Introduction:

The National Service Scheme (NSS) unit at Midnapore City College in Collaboration with District Health and Family welfare Samiti, Paschim Midnapore, actively participated in the observation of World AIDS Day on 1st December 2023. The day was dedicated to raising awareness, promoting prevention, and combating the stigma associated with HIV/AIDS. This report aims to provide an overview of the activities conducted by the NSS unit to mark this significant occasion.

Objective:

The primary objective of our World AIDS Day observation was to educate and engage the community on the importance of HIV/AIDS awareness, prevention, and support for those affected.

NSS volunteers conducted door-to-door awareness campaigns in the local community, distributing informational pamphlets and engaging residents in conversations about HIV/AIDS.

Educational Workshops:

Organized and hosted educational workshops featuring guest speakers, healthcare professionals, and representatives from HIV/AIDS organizations. The workshops covered topics such as prevention strategies, the importance of regular testing, and dispelling myths surrounding HIV/AIDS.

Artistic and Cultural Events:

Organized a cultural evening featuring performances, art exhibitions that conveyed powerful messages about HIV/AIDS awareness, empathy. Song and magic show.

Leveraged social media platforms to share information, personal stories, and relevant facts about HIV/AIDS. The unit actively participated in online conversations using dedicated hash tags to reach a broader audience.

Poster and Artwork Competition:

Held a poster and artwork competition within the institution to encourage creative expressions related to World AIDS Day, Winning entries were displayed in prominent areas to maximize visibility.

Conclusion:

The NSS unit's observation of World AIDS Day was a resounding success, with active participation from volunteers, community members, and local organizations. The multifaceted approach, including awareness campaigns, educational workshops, and cultural events, contributed to a well-rounded and impactful observance. The unit remains committed to promoting health awareness and social responsibility within the community. This report serves as a testament to the NSS unit's dedication to addressing critical societal issues and fostering positive change. The lessons learned and experiences gained during this World AIDS Day observation will undoubtedly contribute to future initiatives aimed at making a lasting impact on public health and well-being.
